### Aptiva - 2134-L32/K32/P32 System technical specifications

Applicable to: LA

|                                  |  |
|----------------------------------|--|
| <b>Machine Type/Model Number</b> | <b>2134-L32/K32/P32</b>  |
| Case style                       | Desktop  |
| BIOS version/date                | BSTUS4I / 02/10/99   |
| Processor Speed                  | <del>Pentium 133MHz</del> <b>Pentium MMX @ 200MHz (overclocked)</b>        |
| System Board Chipset             | Intel 430VX  |
| Slots (ISA/PCI/Shared)           | 3/2/2  |
| Bays (Total/Open)                | 4/1  |
| Ports (Serial/Parallel/USB)      | 1/1/2  |
| Power Supply                     | 145W Industry standard   |
| Memory (type)                    | 60ns tin lead EDO SIMM;<br>16MB, 168-pin, 70ns, 5v, Non-Buffered, EDO DIMM |
| Standard/Maximum                 | 16MB/128MB <b>(128MB = 4x32MB @ 60ns installed)</b>                        |
| Total Sockets/Open Sockets       | 4 SIMM, 1 DIMM / 2 SIMM, 1 DIMM  |
| L2 Cache (Standard/Maximum)      | 0KB/512KB <b>(512KB L2 cache installed)</b>                                |
| Hard file                        | 1.6GB <b>(8GB IDE-SATA SSD ok) (8GB DOM SSD IDE fail)</b>                  |
| Diskette Drive                   | 3.5"   |
| Video Chipset                    | <del>ATI Mach64 (Rage)</del> <b>IO-DATA GA-VDB16 3dfx PCI 16MB</b>         |
| 3D Acceleration                  | Yes  |
| Video Memory (Internal/Maximum)  | <del>2MB/2MB</del>   |
| Open Sockets                     | none   |
| Maximum Resolution (colors)      | 1024x768 (256)   |
| Maximum Colors                   | 16M  |
| Monitor Included                 | G50  |
| Keyboard                         | rubber dome  |
| Mouse                            | 2 button PS/2 style  |
| Communications                   | <del>Mwave 28.8Kbps</del> <b>Ovislink EVO-GE8169 (RTL8169S-32) PCI 1G</b>  |
| Video Conference Enabled         | No   |
| CD-ROM                           | <del>8X</del> <b>LG DVD Rewriter GSA-H42N</b>                              |
| Audio Controller                 | <del>Mwave</del> <b>SoundBlaster CT4170 ISA</b>                            |
| Wavetable                        | Yes  |
| Speakers                         | Yes  |
| Microphone                       | Telex  |
| MPEG                             | MPEG1 SW   |
| Joystick                         | No   |
| Home Automation                  | No   |
| TV/Remote Control                | No   |
| Operating System                 | <del>Windows 95</del> <b>Windows98.UBCD.Feb.2008 v4.8.0.001</b>            |
